HON'BLE MR. JUSTICE PRITAM PAL

Present: Shri Lekh Raj Sharma and Shri B.S.Giri, Advocates

for the petitioner

Jasbir Singh, J. (Oral)

It is grievance of the petitioner that despite moving an application in the month of October, 2005, for extension, curtailment in route and increase in trips, no action has been taken thereon. Petitioner has even sent representation to do the needful (Annexure P/3), but the same has also failed to yield any result. It is not necessary to go into merits of this case and the writ petition is disposed of with a direction to respondent No.1 to take note and decide application of the petitioner, as per law. Needful be done within one month from the date of receipt of a certified copy of this order.
